

ZEN OUTDOOR LIVING

NATURAL STONE PATHWAY

Irregular natural stone set with moss and groundcover creates a soft, organic flow through the space—inviting you to slow down and be present.

LAYERED, LUSH PLANTINGS

A thoughtful mix of trees, evergreens, ferns, ornamental grasses and groundcovers brings texture, tranquility and year-round beauty.

SOOTHING WATER FEATURE

The gentle sound of cascading water calms the mind and masks the noise of everyday life, creating a peaceful escape right at home.
